

Here's how to find the Lesley L. Walls Vision Center.

- 1. Enter the campus of Northeastern State University at Broken Arrow from the main entrance by the traffic light at 3100 E. New Orleans Street (East 101st Street South). If you see the sign for the "BUSINESS AND TECHNOLOGY" Building straight ahead you're at the wrong entrance.**
- 2. Follow the drive as it curves to your left around the "EDUCATION" Building.**
- 3. Take the first right into the parking lot and notice the large white EDUCATION sign high up on the building.**
- 4. Vision Center Parking, visitor parking, and handicapped parking is located to the right as you pull in the parking lot by the building.**
- 5. Locate the doors at the corner of the building by the green bench, enter through the glass doors. Immediate to your left is the elevator. Take elevator to 2nd floor and you will enter into the waiting room of the Walls Vision center.**
