18 Hours of CE

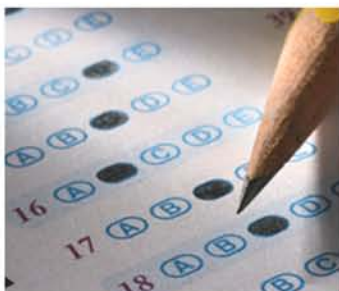

COPE Approved

Hosted by

Oklahoma Association of
Optometric Physicians &
Northeastern State University
College of Optometry

Cost

\$900 per person for
lectures, textbook and
9 months of online access.

Established Experts in Standardized Test Preparation

KMK Board Certification Services was founded in 2010 as an affiliate of KMK Educational Services, which provides board exam review services to thousands of optometry students in the United States and Canada. They strive to maintain a modern, clinically-focused review curriculum without sacrificing scientific accuracy. The instructors believe there is a huge difference between relaying information and actually teaching it, and they are passionate about doing the latter. Now they are excited to extend their services to help you review for the Optometry Board Certification Exam.

Study Tools at Your Fingertips

In addition to a textbook you will also have access to online resources, including streaming lecture videos, flashcards and graded quizzes.

On-the-Go Access

Podcasts and KMK mobile apps are included for the on-the-go clinician.

Organization Made Easy

Consolidated information and interactive sessions cover essential concepts following the American Board of Optometry exam content outline.

Event Venue and Accommodations

Accommodations

The conference will be held in Building C (Education), room BAED 219. For more information about the campus go to www.nsuok/campusmap/brokenarrow.aspx.

Our recommendation for lodging is the Holiday Inn Express Highway 51 in Broken Arrow at 2201 N. Stone Wood Circle, Broken Arrow, OK 74012 (1-918-355-3200).

Directions from the Holliday Inn to Broken Arrow Campus

Leaving Holiday Inn parking area, go left (NW) on North Stone Wood Circle towards Elm Place. Turn LEFT onto N. Elm Place. Continue on Elm Place until you reach 101st street also known as East New Orleans St. (about 4 miles). Turn Left onto 101st /New Orleans Street and continue until you reach the NSU BA campus (about 2.5 miles). Turn LEFT into the campus and continue left around the campus - watch for campus signs indicating areas to park and guidance to Building C.
